

## Hi folks

Here is the latest Election Bulletin from Scottish Unions for labour - below you'll find some of the key ideas and facts to help the campaign to get the Tories out and Labour in. Check out our [website](#) and [blog](#) for regular updates

**It's less than two weeks to the election. We need to be making clear to everyone in every workplace in Scotland that every vote counts, that only a Labour Government will deliver for working people, and that the only way to get a Labour Government is to vote Labour**

Labour are pretty clear what we are campaigning for in this election. It's the idea that the country succeeds when working families succeed. The SNP eh not quite so clear. A couple of weeks ago it was 'Devo Max' or 'Full Fiscal Autonomy'...nothing less, and as soon as we can get the direct debits changed. But that's not [what they are saying now](#). We explain, why FFA = Full Fiscal Austerity on our latest leaflet [here](#).

Who will deliver on Zero Hours Contracts? Only Labour. The Tories? well they love them, obviously. The SNP are committed to “a consultation fully involving business” and ehh that’s it. (What precisely do they think there is to talk about?)

Labour will ban exploitative zero hours contracts. [Labour deliver. SNP? Don't](#)

Labour will **ban** exploitative zero-hours contracts

Tories want to **rebrand** exploitative zero-hours contracts

The SNP will ask **big business** about exploitative zero-hours contracts

Labour are quite clear. Labour will scrap Employment Tribunal fees. The SNP in a 56 page manifesto can't find the space for the single sentence it would take to say the same. So we know what the SNP are going to do about the price on justice. **Nothing**

AFTER  
TORY  
FEES

**70%**

DECREASE IN EMPLOYMENT  
TRIBUNALS BEING TAKEN.

**LABOUR WILL: ABOLISH  
EMPLOYMENT TRIBUNAL FEES**

At the risk of being accused of playing the man not the ball. David Cameron 'forgot' what football team he supports? [what a phoney](#)

Scottish Labour will put a £100 million Frontline Fund in place targeted at reducing pressures on staff and ensuring better services for patients.

And if the policies aren't enough to persuade people. Point out this May 7th only offer...

The poster features the Labour Party slogan "LET'S GO" in red and blue at the top left. To its right is a yellow box with red text that reads "2 FOR 1 ELECTION SPECIAL". Below these are two circular portraits: Nicola Sturgeon on the left and Gordon Brown on the right. Under Sturgeon's portrait is a yellow box with red text: "HOPKINS LEAVES BRITAIN". Under Brown's portrait is a yellow box with red text: "MILIBAND TAKES ON MURDOCH". At the bottom is a red banner with yellow text: "vote Labour" on the left and "VOTE ONE GET ONE FREE!" on the right.
