

Hi folks

Here is the latest Election Bulletin from Scottish Unions for labour - below you'll find some of the key ideas and facts to help the campaign to get the Tories out and Labour in. Check out our [website](#) and [blog](#) for regular updates

**Labour's manifesto for work has been published. *A Better Plan For Britain's Workplaces* it contains Labour's key commitments to get people a better deal at work**

- Labour will raise the National Minimum Wage to more than £8 before 2020.
- Labour will ban exploitative zero-hours contracts – so that if you work regular hours, you get a regular contract.
- Labour will make it illegal to use agency workers to undercut wages of permanent employees.
- Labour will double paternity leave to four weeks and increase the level of pay so that families can afford to take up their entitlement.

Of course some people aren't keen on Labour's plans for more rights and better wages... a whole number of [fat cat bosses for example](#)

## The greedy, blacklisting, tax dodging fat cat bosses support the Tories

The same fat cat bosses who pay themselves 130 times more than their average worker

It's inequality, not secure jobs that damages growth

## Scottish Labour's Plan

**Scottish Labour will introduce £175 million Anti-Poverty Fund to end the need for foodbanks in Scotland.**

Using money no longer needed to mitigate the bedroom tax, to help those who fall through the cracks.

If we don't get a Labour Government we *will* get more Tory and SNP austerity see [our blog for details](#)

# Devo Austerity

SNP Devo Max plan means that Scotland would have to find £6bn in lost oil revenues. That's Tory austerity all over again with 50,000 more public service job cuts.

£6bn deficit in oil revenues now compared to figures in Scottish Govt's November 2013 White Paper. £6bn is also the same amount the Tories have cut from the Scottish budget.
